ADVANCED DIPLOMA OF LEADERSHIP & MANAGEMENT

CRICOS: 106550M

This nationally recognised qualification reflects the role of individuals who have senior or managerial responsibilities. They may be in any industry or organisational setting and overseeing the work of others or having specialised roles where they do not supervise others but provide strategic leadership.

Typically, people in managerial roles will have considerable experience in their respective industries or vocational areas and combine an informed perspective of the specific work requirements with their managerial approaches.

The Advanced Diploma of Leadership and Management offered by ANIBT will enable you achieve what you've always wanted to in the world of management. It will equip you with the skills and knowledge to manage strategic and operational areas of any organisation.
