DIPLOMA OF LEADERSHIP & MANAGEMENT

CRICOS: 104153G

This qualification reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts.

Individuals at this level display initiative and judgment in planning, organizing, implementing and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or enterprise requirements.

They plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

Whether you are aspiring to become a manager in a medium or large organisation, or perhaps you are a current practising manager looking to formalise your skills, this will be an ideal course to undertake.
